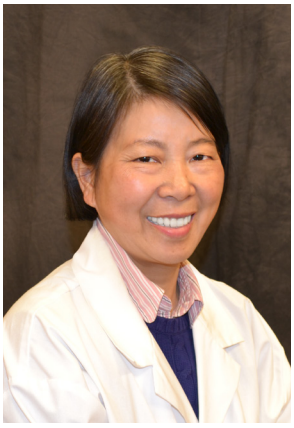
AURORA DIAGNOSTICS
Pathology Solutions

CURRICULUM VITAE



H. CHERYL SHENG, M.D.
Pathologist

BOARD CERTIFICATION
Anatomic and Clinical Pathology
American Board of Pathology

FELLOWSHIP
Surgical Pathology
New York University Langone Medical Center
New York, NY

RESIDENCIES
Pathology
University of Louisville School of Medicine
Louisville, KY

Pathology
Nassau University Medical Center
East Meadow, NY

MEDICAL SCHOOL
Doctor of Medicine (MBBS)
Zhejiang University School of Medicine
Hangzhou, Zhejiang Province, China

PROFESSIONAL SOCIETY MEMBERSHIPS
- American Society for Clinical Pathology
- College of American Pathologists
  (Fellow)

Aurora Diagnostics Pathology Solutions, Eatontown, NJ, is honored and privileged to include renowned pathologist H. Cheryl Sheng, M.D. as a member of its medical staff. Dr. Sheng is nationally board-certified in anatomic and clinical pathology by the American Board of Pathology. Her medical education credentials are impeccable, having earned a medical degree (MBBS) from the prestigious Zhejiang University School of Medicine, Hangzhou, Zhejiang Province, China. Upon immigrating to the United States, Dr. Sheng completed her pathology residency at the University of Louisville School of Medicine, Louisville, KY and a pathology residency at the Nassau University Medical Center, East Meadow, NY where she was a chief resident in her third year. In addition, Dr. Sheng finished a one year surgical pathology fellowship at the New York University Langone Medical Center, New York, New York. It should also be noted that, prior to selecting human pathology as her primary field of endeavor, Dr. Sheng completed a three year stint as a research fellow at the esteemed University of Michigan School of Medicine, Ann Arbor, MI.

Since earning her medical degree, Dr. Sheng served with utmost distinction in a series of clinical positions of trust and responsibility, as exemplified by the following:

- Attending pathologist (anatomic and clinical), New York Downtown Hospital, New York, NY
- Attending pathologist (anatomic and clinical), St. John's Queens Hospital, Elmhurst, NY
- Attending pathologist (anatomic and clinical), St. Vincent's Catholic Medical Center, Staten Island, NY
- Pediatric surgeon, The Children's Hospital of Zhejiang Medical University, Hangzhou, Zhejiang Province, China

Dr. Shengs practice has focused on surgical pathology and gastrointestinal pathology. She authored and coauthored many pathology-related articles including in both pathology and clinical science that were subsequently published in some of our more prestigious scientific journals.
(Please refer to the reverse side for a sampling of Dr. Sheng's published works.)

H. CHERYL SHENG, M.D.
Pathologist
